

EAM's Family Trip

June 9-18, 2018

YOU'RE INVITED

As one of EAM's friends, we humbly invite you on a transforming tour of South Sudan and Uganda. Your family will join us to see how EAM reaches the people of South Sudan and Uganda. During this amazing trip you will see firsthand the work being done by the EAM team to address the water crisis in East Africa and how we are educating the future leaders of South Sudan. Talk with your teen today, and mark your calendar!
